## ATHLETE of the WEEK

Minnesota's #1 New Car & Certified Pre-owned Volume Dealer

### Reegan Patnode

Simley High School senior Reegan Patnode is the school's 2017 Athena Award recipient. The Athena Award is given to one outstanding female senior athlete from each private and public high school in the metro area.

Lettering three times for her time spent with the Spartans girls soccer team, Patnode, a team captain, really made her mark in the hockey rink.

As a five-time letter recipient for hockey, Patnode was twice named All Conference and had a truly memorable 2016-2017 season. This past year, she was named team MVP, "Most Dedicated" and won the Spartan Award as captain of the team. She ranks fourth all time for career points at Simley, with 89.

Patnode managed the Simley baseball team for two years, is a

part of the National Honors Society and volunteers with the Special Olympics Minnesota and the Inver Grove Heights Youth Hockey Association. She plans to attend the College of Saint Benedict and play hockey for the Blazers.

Patnode was honored with all the St. Paul Athena Award recipients at an April 19 luncheon.
